

BUSINESS SOLAR GARDEN HOW IT WORKS

THREE EASY STEPS TO SAVINGS

We do an analysis of your company's electrical usage so you can see how much you'll save.

We'll set up your subscription to our Community Solar Garden. Nothing else changes!

Your Xcel Energy utility bill gets credited for the solar energy you use from the Solar Garden.

Lock in an electricity rate up to 10% less than you currently pay.

For your **FREE** energy audit!
